A Fleeting Moment. Originally published in The FlyFish Journal, Volume Nine, Issue Four. The trout is small, no more than eight or nine inches by my estimation. I'm lying on my stomach, chin in my hands. She's doing laps, patrolling her territory. She cruises between rocks, skirting a small patch of shoreline, her open mouth breaking the ...

A Fleeting Moment - Water Written

To dream and to have nice fleeting moments that linger in my heart like blood coursing through our veins. We spend so much of our time focusing on negative energy. When instead we can just lock the door to the negative and enter a wave of warmth and happiness. It's not a matter of deserving, don't ask yourself if you deserve to smile.

"A Fleeting Moment is something that I try to capture in all of my paintings, the moments that don't last long and sometimes go unnoticed. I have spent the majority of my time painting over the last year and a half outside studying nature, and the subtle colors, the atmosphere, and the moments that stand out when you really take the time to look.
