Writing English Compositions

Understanding context means thinking about who wrote the text, when and where it was written, the author's purpose for writing it, and what assumptions or agendas influenced the author's ideas. For instance, two writers might both address the subject of health care reform, but if one article is an opinion piece and one is a news story, the ...

Composition - Pearson

As the teacher and student discuss the real audience(s) for the writing, the teacher can ask the student to consider how formal or informal the writing should be, and remind the student that all people adjust the level of formality in oral conversation, depending on their listeners and the speaking context.

The Role of Grammar in Improving Student's Writing

The four basic English language skills are divided into two categories such as receptive skills and productive skills. Reading and listening are considered receptive skills whereas speaking and writing are known as productive skills. Writing is one of the four basic skills. The students start learning to communicate through written form as they
