There's a very thin line between being overprotective-and-caring and being overprotective-and-dominating. But almost always, overprotective and dominating behavior goes hand in hand. If a man is overprotective, there is a very big chance that he'd also be very dominating and controlling. He may not realize it himself.

It's no mystery that the Alpha-Male character type has dominated romantic fiction. Nearly any romance you pick up will feature one of these tough, rugged, manly men out to woo their lady of choice with their muscular

body and chiseled looks. I don't mind indulging in this type of fantasy at all when reading romance, although I do enjoy the sweet, Beta-Male as well. However, lately, I've ...
