Milliman Care Guidelines Wiki

Milliman care guidelines Milliman Inc. previously owned MCG (formerly known as Milliman Care Guidelines and now known as MCG Health), which has been producing evidence-based clinical guidelines for healthcare organizations since 1990.

Milliman - Wikipedia

Within Milliman's environment of actuarial science (statistical calculations of risk), a group of physicians and actuaries assembled the latest evidence-based medical research with best practices of care and clinical guidance to create the Milliman Care Guidelines. The first care guidelines were written by Dr. Richard L. Doyle and published in a three-ring notebook. They presented advice, originally for health plans and insurers, to identify what the optimal care was in various healthcare ...

WikiZero - Milliman

A medical guideline is a document with the aim of guiding decisions and criteria regarding diagnosis, management, and treatment in specific areas of healthcare. Such documents have been in use for thousands of years during the entire history of medicine. However, in contrast to previous approaches, which were often based on tradition or authority, modern medical guidelines
