Quintessence (Vol. 2) This album
includes some very good jazz, but also

some very mediocre solos and at least one poor performance. Stan Getz rarely embarrasses himself and doesn't do that here. His solos are as fluent and original as you would expect. I would rate Chet Baker's solo work as listenable to uninspired and lacking energy.

This story really picks up speed in this novel, part two of the Quintessence series. The characters are in danger from other people, from manticores and from the stars themselves. The war of wills between Queen Mary and Princess Elizabeth is heating up, too, and everyone is being forced to pick a side.
